Dear Parents and Families,

I am honored to have the opportunity to lead a school with 129 years of rich Catholic tradition and education! As a lifelong educator, I have had the opportunity of serving students and families from a variety of backgrounds in the elementary, middle, and high school settings in the field of education in the Bethlehem Area School District. I hold two master's degrees from Lehigh University in Educational Leadership and Counseling Psychology.

As a former graduate from Holy Infancy School, I am passionate as an educational leader and look forward to partnering with you to provide a rigorous, engaging, and high-quality elementary school experience that is Jesus-centered and ensures academic excellence for all school learners. Along with my teachers and staff, I will continue the legacy of Holy Infancy by building strong relationships with parents, students, and community partners. We will focus on spiritual growth and service-learning initiatives, common core skills, and the use of data driven instruction and educate our students to their highest academic levels.

Because the relationships between our community, families, and school are an integral part of the success of our students, I encourage you to become involved in every way possible. I look forward to working with each of you. In summary, I believe that great schools are the results of inspiring teachers, families, and community partners working together to ensure student success.

Sincerely,

*Jeanne Negron-Garcia*

Jeanne Negron-Garcia  
*Principal of Holy Infancy School*

**2022 - 2023**  
**HOLY INFANCY SCHOOL HANDBOOK**

HOLY INFANCY SCHOOL will not discriminate on the basis of race, color, age, religion, gender, ancestry, national origin, or disability/handicap in its programs, activities, employment, and contracting practices. The Diocese of Allentown Office of Education is designated to handle inquiries regarding the Diocese nondiscrimination and harassment policies.

**Student Attendance Regulations**

**On the day of an absence, parents/guardians are required to call the school office to report the absence on the absentee line (610) 868-2621 by 8:15am.** Please leave a message if there is no response, clearly stating your child's name and homeroom teacher.

A major factor in a student's school success is regular attendance. Pennsylvania law requires that all students be in school during all the days and hours that school is in session. If a student is absent and returns to school without a signed note stating the reason/dates for the absence, the student is documented with an unexcused absence from school. Unexcused absences are noted on the report card and permanent records. A sample absentee note can be found on page 27 of the handbook.

**PA State requirements and those of the Diocese of Allentown require that for the student's return to school, the student must be accompanied by a written note stating the particular reason for the absence and the specific date(s) of the absence(s).** This note must be signed by the parent/guardian which will become an official document to be placed into the student's files.

- For absences of three or more days, a formal written doctor's excuse is required.
- If an absentee note is not received, the student is considered unexcused and truant.
- Homework will be provided upon return, and it is the student's responsibility to contact each teacher immediately upon return to school to receive assignments. Completion time for the assignments is at the discretion of the individual teacher.

**Permissible Reasons for Absence**

**Every student enrolled at Holy Infancy School shall be in daily attendance except for one of the following reasons:**

1. Personal illness
2. Quarantine of the individual or home
3. Death in the immediate family
4. Impassable roads
5. Educational trip with parent or guardian with prior request and approval of the principal
6. Suspension from school
7. Required court appearance
8. Exceptional urgent reasons - must pertain to the student as determined by the principal.

**Doctor and Dental Appointments**

**The parent/guardian and student must report to the Main Office to sign either in/out for the appointment.** When the student returns to school, they must turn in a doctor or dental office note.

**Leaving School Early/Arriving to School Late**

**Leaving School Early-** Prior to departure, a written note from the parent/guardian stating the time/reason must be sent to the child's homeroom teacher. The parent/guardian and student must report to the Main Office to sign out for the early dismissal.

**Arriving at School Late-** The parent/guardian and student must report to the Main Office to sign in. The student is issued a late slip, then reports to their classroom, and delivers the late slip to the teacher.

### Sign-in Policy for Visitors

Due to safety concerns, parents/guardians are not permitted to go directly to a classroom to deliver a message or item. You must report to the Main Office and sign in. **Please refer to the late arrival/early dismissal policy.**

### Attendance Procedures

**Parents/Guardians are required to call the school office and send in a written, signed excuse or an email to the homeroom teacher for all absences. Written requests are required at least a week prior to educational/family vacation trips.** Contact will be made with the parents of the student whose attendance is infrequent or irregular. After 10 cumulative days of absence, the student's attendance record will be reviewed along with PA attendance regulations.

### Tardiness Procedures

**Arrival should be no earlier than 7:45 am, since supervision is not available in the building before that time.**

A student is tardy after 8:15am.

#### TARDIES:

Please be aware that students who arrive at school tardy will be documented by the front office staff and teachers.

Parents of students arriving at school late will be required to sign their child/children in at the front office. **A parent signature will be required. We will send a letter notifying parents when a student has been late to school three (3) times, and every subsequent time.** Please refer to the explanation below that outlines the consequences for tardies.

- 3rd morning tardy: Letter sent to parent
- 4th morning tardy: Letter sent to parent ; loss of one recess, or administrative discretion.
- 5th morning tardy: Letter sent to parent; loss of two recesses, or administrative discretion.
- 6th or more morning tardies: Letter sent to parent; referral to Juvenile Office.

### Vacations

Vacation during the school year is strongly discouraged so the student's academic achievement is not negatively impacted. The policy regarding vacations is as follows:

- **A student missing three or more school days must submit to the principal, one week in advance, an Extended Absence Form stating the dates and reason for the vacation.** Forms are available in the school office.
- Vacation absence requests are not granted for the first ten days of school, during exam periods, or standardized test periods. No make-up of standardized testing is administered.
- Missed school work is gathered during his/her absence and given to the student when he/she returns to school unless other arrangements are made with the parent.
- Missed work is the responsibility of the parent and the student. All make-up work, including tests, quizzes, and projects are due at the discretion of the teacher.

### Books

Pupils of every grade must carry books to and from school in a book bag. Since many of the books used by the children are on loan from the State, books that are damaged, lost, or are in poor condition will require payment in full. Lost or damaged books must be replaced at the current cost by the parent or guardian of the student.

### School Start and End Times

Students will arrive between 7:45 - 8:15. Start time begins at 8:15am, and students will be considered tardy after this time. Prayers, announcements, and classes will begin promptly at 8:15. Students will end the day with prayers and dismissal at 3:00pm. **Students must be picked up within 15 minutes of dismissal.**

## Daily Schedule

7:45am	Doors to the school are open. Students should report to the cafeteria.
8:15am	School begins. Students arriving after 8:15 are considered late and must report to the Main Office.

The boys and girls restrooms are located in the middle of the hallway on every floor at Holy Infancy School. **Girls are expected to use female bathrooms, and boys are expected to use male bathrooms.**

When there are scheduled early dismissals or on snow days, After Care will close. Extended Care students will exit and be guided by After Care Staff to door 1.

#### **Transportation Video/Audio Monitoring**

In cooperation with district provided transportation services, a Transportation Video/Audio Monitoring Policy stating the use of video and audio recording equipment to maintain discipline and ensure the safety and security of students, staff, contractors, and others being transported on district-owned, operated, or contracted school buses or school vehicles is in place. **Reviews of video/audio recordings are limited to the Principal, Transportation Coordinator, Superintendent, and/or his/her designee.** However, video/audio recordings may be used in expulsion hearings if the video/audio recording provides evidence in the case. A request for viewing a video recording may be made by a student's parents/guardians if the student has been recorded and disciplinary action has been recommended. All requests must be in writing and addressed to the District Transportation Supervisor.

#### **Bus Conduct**

##### **At the bus stop:**

**1. Be on time, but no earlier than 5-10 minutes. 2. Respect the surrounding properties. 3. Parents are responsible for their child(ren)'s behavior before the bus arrives.**

**School Policy** - On the bus, it is the shared responsibility of parents and students to expect proper behavior at all times. Parents should instruct their children to obey the bus code of conduct. Please refer to your district's transportation code of conduct.

#### **BUS BEHAVIOR AND LEVELS OF DISCIPLINE: (Reminder: Students Must Have Bus Cards Like Last Year To Ride The Bus--We Will Make New Ones For Those Without Them)**

It is the intent of Holy Infancy School to provide safe, timely and efficient student transportation. These goals can be accomplished if students, parents, bus drivers and school administrators work together. Each student is expected to conform to a reasonable standard of conduct that will not jeopardize their fellow students, the driver or equipment. Should a student choose, to misbehave or to jeopardize the general welfare of those on the bus, the following procedures will be followed by the Director of Transportation:

- First Offense: 1 Day Bus Suspension
- Second Offense: 2 Days Bus Suspension
- Third Offense: 3 Days Bus Suspension
- Fourth Offense & All Subsequent Offenses: 4 Days Bus Suspension

### **Scheduled Early Dismissals**

**It is imperative that parents be mindful of Early Dismissals.** They will be posted on the school calendar. **Students must be picked up within 15 minutes of dismissal.** If a parent is late to pick up a student, the child will automatically go to After Care and will be charged the hourly rate fee. No supervision is available after final dismissal except for the After Care program Monday through Thursday.

### **Weather Delays/Unscheduled Early Dismissals**

During severe weather/hazardous transportation conditions, listen to your TV to find out whether school is closed or delayed: WFMZ (Channel 69), delays and closures are communicated via FACTS SIS, email, and text system. **Holy Infancy School will follow the Bethlehem Area School District for delays, closures, and early dismissals.** Bused students will follow their home district's schedule.

### **National Lunch Program**

Holy Infancy School has partnered with the National School Breakfast and Lunch Program to provide all students with the opportunity to select from several healthy meal options each day. The breakfast and lunch menus are provided monthly for your review. Students may bring lunch. Fast food and soda are not permitted. Drinks should be in a plastic container or any other type of drinking container, not in glass bottles, to prevent injury. Students are expected to be respectful, courteous, and attentive to directives of the supervising lunch staff and volunteers. Students remain in their places until they are finished eating and are dismissed by the teacher or volunteer monitor in charge. The lunch monitors have the authorization to correct or redirect the children during the lunch period. The code of conduct applies to all non-classroom situations.

#### **Birthdays treats/Class Parties:**

Students are permitted to bring in treats on their birthdays, but it should be noted that Holy Infancy School is always mindful of food allergies and participates in the National Lunch and Wellness Policy.

Distribution of "at home" party invitations is permitted only when the complete class is invited (all girls, all boys, or whole class). Parents are highly encouraged to contact the student's homeroom teacher regarding birthday treats.

At their discretion, teachers may ask parents to volunteer to assist during parties or special activities. Because of the many food allergies students have, treats brought to the school must be commercially prepared. Parents must have clearances to assist in any school activities.

*Any teacher approved snacks/drinks must remain in their classroom.*

### **Cell Phone Policy**

Personal use of non-Holy Infancy School issued mobile devices, including cell phones, on school property or at school-related activities is prohibited without permission. Students possessing a personal mobile device must keep that device turned off and turned in to their teacher at all times during the school day. Cell phones are returned at the end of the instructional day. Holy Infancy School is not responsible for private property. Students are prohibited at all

times from using camera phones or any videotaping device to photograph, capture an image of, or videotape another student or staff member on school grounds or buses.

IF A PERSONAL CELL PHONE/MOBILE DEVICE OR ANY OTHER PERSONAL ELECTRONIC DEVICE IS LOST, DAMAGED, OR STOLEN, HOLY INFANCY SCHOOL WILL NOT ASSUME RESPONSIBILITY.

In case of emergency, students may obtain permission to use the phone in the office. For security and safety purposes, the school has the ability to record all phone calls.

**Neither Cell Phones nor SMART WATCHES are permitted in school. (PHONES/WATCHES MUST BE CHECKED INTO THE CLASSROOM. ALL ITEMS WILL BE SECURE DURING THE DAY--IT WILL BE THE RESPONSIBILITY OF THE STUDENT TO RETRIEVE THEIR PHONE/WATCH FROM THE TEACHER BEFORE LEAVING FOR THE DAY.**

Guidelines:

- Students may NOT have cell phones or other devices visible on school premises for any reason until the dismissal at 3:15pm. All phones and devices must be turned off, not simply on silent.
- Phones that are exposed unintentionally (example, falling out of a school bag) shall not be in violation if the student places the phone in the classroom bin.
- If a student needs to make a call during the day, he or she may do so from the Main Office.
- If a parent needs to get in touch with a student, the parent may do so by contacting the Main Office.
- Lost or stolen cell phones or electronic devices are not the responsibility of Holy Infancy School.

**Violations:**

If a student has a phone or electronic device that is visible, it will be confiscated and kept in the Main Office. Any student who is in violation of this policy and refuses to surrender the phone/device will be subject to further discipline.

1. 1st Offense- Warning- phone /device will be turned over to the principal and must be picked up by the student at the end of the day from the principal or designee.
2. 2nd Offense- phone/device confiscated, parent must pick up the phone/device.
3. 3rd Offense- phone/device confiscated, parent must pick up the phone/device, followed by a school meeting to discuss the issue.
4. 4th and Subsequent Offenses- phone/device confiscated, parent must pick up the phone/device, further discipline will be issued.

### **Change of Address or Telephone**

**Parents/guardians must notify the school office immediately in writing of any change in home address, home/cell/work phone numbers, email address, and emergency contact information.** Updated information is essential for good communication and for the well-being of the student.

### **Parent Portal FACTS SIS**

We encourage parents to sign on to FACTS SIS because it is the best way to communicate and to stay up to date with your child's attendance, assignments, and grades. Parents can log on to FACTS SIS from their home, office, or mobile device. **FACTS SIS also has a parent alert system which allows the Holy Infancy School staff to communicate quickly and reliably with parents either by voice, text, or email.**

EASY COMMUNICATION BETWEEN SCHOOL TO HOME; HOME TO SCHOOL:

- Communication is ongoing and part of our SEESAW Family and FACTS SIS Platform. All K - 5 parents are already part of SEESAW and can now have message conversations between parent to teacher, and teacher to parent.
- Emails, pre-scheduled visits to the school, and phone calls during teacher planning times, are still a quality form of communication.

### **Conferences/Back to School Night**

**Back to School Night is held in September. Parents/guardians will have a chance to meet their child's teacher(s), become familiar with the curriculum and classroom policies, meet other members of the school community, and learn about various school activities and volunteer opportunities.**

Parent-teacher conferences will be scheduled in October and February. A formal time/date is issued to parents/guardians to discuss each student's academic progress. **Informal parent-teacher conferences can be arranged throughout the school year by contacting the teacher directly by phone or email.**

### **Family Communication Envelope**

A family communication envelope is sent home with all students attending Holy Infancy School. Parents must sign any assignment papers, fill out any pertinent information, and return the envelope the following school day with the student. The youngest or only child will receive pertinent information papers to reduce excessive copies.

### **Confidentiality**

**Teachers will keep confidential information entrusted to them as long as no one's life, health, or safety is at stake. Parents will be promptly notified of teacher concerns.**

### **School Records "Non-custodial parents"**

The school voluntarily complies with the provision of the Buckley Amendment: "Non-custodial parents will be given access to unofficial copies of student records and staff will be available to discuss the student's records, unless a Court Order providing otherwise is filed with the school." **Parents must forward a copy of all court orders to the school office.**

### **Curriculum**

At Holy Infancy School, we strive to maintain the highest standard of academic excellence for our students in a Christ-centered environment. Holy Infancy School updates its curriculum according to state and diocesan guidelines and mandates. Textbooks and materials are chosen to meet the educational needs of our students. Textbooks and tests meet all diocesan and state requirements.

### **Class Trips**

**Whenever children are taken on a class trip, parents/guardians must give permission in writing before the child may participate.** Because such trips are an educational experience, all children are encouraged to take advantage of the opportunity to broaden their educational skills. Children may be excluded from a trip at the discretion of the teacher and/or principal.

### **Enrichment Programs**

At Holy Infancy School, our teachers strive to meet the academic needs of all our students. The following criteria are used to identify students who demonstrate an aptitude for enrichment: daily classroom performance and teacher recommendations. The goal of the enrichment program is to provide the student with opportunities to expand on the standard grade curriculum, as well as challenge those students to use and extend logic, creativity, problem-solving, and other academic skills.

## Classroom Rules

The following behaviors promote an effective learning environment and are the expected behaviors for classrooms:

- Attending school on a regular basis and to be on time
- Completing assignments as assigned (i.e., class assignments and homework)
- Working without disturbing others (No talking, passing notes, getting out of seat without permission, etc.)
- Bringing appropriate materials to school and being prepared for class (pencil, paper, etc.)
- Gum chewing is not permitted on school property
- Being attentive while teacher or another student is presenting information
- Keeping assignments, notebooks, workbooks and work area neat
- Respecting the rights of others and using appropriate language

**Students must obey teacher classroom rules according to grade level.**

**Students understand that before they turn in a project (including a group project), all are held responsible for plagiarism.** The students are subject to an Office Referral. Any student who plagiarizes material from any source (printed or multimedia) or submits swapped projects will receive a failing grade for the project.

## Homework Policy

The faculty of Holy Infancy School recognizes the positive relationship between homework and academic achievement. We are committed to a homework policy that fosters the development of self-discipline, time management, and sound study skills.

### TYPES OF HOMEWORK

**Preparation** - Homework that is assigned before the formal lesson

**Practice** - Homework that is assigned after the skill or concept is taught

**Extension** - Homework that is assigned to see if a student can transfer a skill to a new or a different situation

**Creativity** - Homework that is assigned for putting together concepts and skills in new and different ways

**All students are to write their assignments in a homework book.** We expect parents to review homework nightly. Failure to complete assigned work or being inadequately prepared for class will have a negative impact on a student's grades.

Assignments are given in order to ensure independent mastery of subject matter taught in class. The minimum amount of time suggested by the Office of Education for homework is:

1st and 2nd grades.....	30 minutes
3rd and 4th grades.....	45 minutes
5th and 6th grades.....	60 minutes
7th and 8th grades.....	90 minutes to 2 hours

### Homework Considerations and Makeup Work Plan:

1. Monitored daily by teacher and parent for neatness, completion, and effort.
2. **Parent(s) will be contacted by the teacher once the student has demonstrated consistent inability to complete homework.**
3. **Students may be restricted from activities, field trips or obtain a detention at the discretion of the teacher/principal in order to have the opportunity to complete homework.**

## Homework Tips for Students

- Record homework in the same location each day. Use a reminder.
- Ask clarifying questions to be sure the expectations on your assignments are clear.
- Know, record, and monitor due dates.
- Have a quiet space with basic materials for homework completion.
- Make homework part of your daily after school routine.
- Take a break when tired; then resume work.
- When you have questions about the homework, place a note next to it and ask the teacher the next day.

## Retentions/Requirements for Promotions

A student is promoted to the next grade when he or she adequately demonstrates the mastery of material covered in all or the majority of major subject areas. **Promotion is left to the discretion of the teacher and the Principal in consultation with the parents/guardians.**

## Volunteer Service

Visitors report to the Main Office on the first floor. Volunteers are vital to Holy Infancy School, so we hope you join our school team! Our volunteer program includes service in many areas: homeroom parents, clerical work, nursing care, play yard monitor and paraprofessional work. **It is mandatory for all volunteers to complete all background checks and the Protecting God's Children Program.** Please contact our main office for details. In order for parents to volunteer, the following clearances and training are required:

- Criminal Background Check
- FBI Fingerprinting
- Child Abuse Clearance
- Mandated Reporter Training
- Protecting God's Children

Volunteering comprises an important part of our Catholic educational experience. Service is based on the Spiritual and Corporal Works of Mercy, and most of all, on the example of Christ, who came to serve. Various activities and programs are sponsored during the year when volunteers are needed. We depend on the support of all families in these areas.

**Cooperation is also expected in less time-consuming tasks. For example, all papers sent home for parent signatures must be returned promptly.**

## Courtesy and Respect

**Courtesy and respect towards teachers, classmates, and all adults are expected of every student, volunteer, and/or staff member at Holy Infancy School.** Acceptable and healthy school behaviors are any behaviors that promote respect, positivity, and civility in our school. They include, but are not limited to:

- Using respectful, supportive, and encouraging language in all interactions, no matter the subject of conversation
- Listening with an open mind
- Approaching conflict with maturity and a true desire for resolution, rather than as a fight or opportunity to belittle someone
- Maintaining a positive attitude, even when you are having a bad day

**Friendliness, greetings, consideration of the rights and feelings of others, and a reverence for all things are basic to our promotion of Gospel Values and Christian living.**

### **Detention**

Detention may be scheduled at the discretion of any teacher according to the Code of Conduct. Parents/guardians will be notified in advance. **It is the responsibility of the parent or guardian of the student to provide transportation.** Detention may be held in the teacher's classroom or school office for an hour after school or during lunch.

### **Code of Conduct**

**An effective discipline program is essential in the teaching and learning process. Courtesy, respect, and problem-solving strategies are practiced by all staff members and students.** Students are encouraged to consistently follow school rules of conduct, set a positive example for others, and always be conscious of how their behavior affects others. With your cooperation and help, we can provide a positive, productive, and safe learning environment for your child.

#### **When and Where the Discipline Code Applies To Behavior :**

- \*Any time a student is on school property (before, after, during school hours)
- \*At all school-sponsored events including field trips, church functions, etc.

Students must obey teacher classroom rules according to grade level.

#### **Discipline Policy for K through Grade 8:**

Students must obey teacher classroom rules according to grade level. Teachers and administration address issues that are inconsistent with the expectations outlined in our "STARS" acronym.

**S      Serving God, our school, and our family**

**T      Through prayer encouraging holiness**

**A      Acts of Charity**

**R      Respect for all**

**S      Striving towards academic excellence**

#### **POSITIVE BEHAVIOR INTERVENTION AND SUPPORT:**

We focus on 3 core values: "STARS students are Christ's light, respectful, and responsible." Our staff members will refer to this as our school rules or behavioral expectations. All students will be taught this at the beginning of the year and throughout in order to be Christ's light to others, respectful and responsible in every area of our school, playground, and bus.

#### **Level One Situations: Warning and/or private student conference**

**Level One Issues** will result in a verbal and/or student conference. It is our expectation that the behavior will change IMMEDIATELY with the warning and/or conference so that the behavior does not escalate to a Level Two.

**Level One** situations, though not limited to, include the following:

1. Missing or incomplete homework/classwork
2. Test folder/planners not signed
3. Dress code violations
4. Not Following Directions (especially for safety)
5. Inappropriate language (with no cursing)
6. Disobedience (defiance)

### **Level Two Situations**

**Level Two** issues will result in a parent contact by the teacher or staff member depending on the situation. The student and parent/guardian must sign and return a discipline referral slip.

**Level Two** situations, though not limited to, include the following:

1. Repeated or significant incidents of Level 1 offense(s)
2. Inappropriate language with malice/intent
3. Aggressive behavior
4. Harassment - verbal, physical, or sexual
5. Misuse of electronic or technology devices (on school premises or from alternate locations)
6. **Unauthorized use of cell phones.** Cell phones that are being used during school hours will be collected and given to administration. **Parents/Guardians must pick up the cell phone from administration at a mutually convenient time.** (Consequence for phone use will result in a loss of privileges such as, but not limited to: removal of placement in any extracurricular club or activity, field trips, dances, etc.)

\*Level Two incidents may also result in an after-school detention (**time and location to be determined, as needed, by the teacher or administrator**). This may include community service. Parents will be notified when behavior is detrimental to the student’s progress. Teacher will notify the administration.

### **Level Three Situations: AUTOMATIC DETENTION AND PARENT CONTACT OR CONFERENCE BY TEACHER OR ADMINISTRATION**

**Level Three** issues will result in an automatic detention. Level Three situations, though not limited to, include the following:

1. Cheating (on tests or homework assignments -- including plagiarism)
2. Inappropriate use of electronic or technology devices/web (on school premises or from alternate locations that affects the safety and well-being of the school)

4. Threatening behavior (in words or actions) (on school premises or from alternate locations that affects the safety and wellbeing of our school)
5. Stealing
6. Fighting
7. Vandalism

\*After **two** detentions, repeated behavior issues will result in a parent conference. Teacher will notify the administration. A third detention received in a trimester may result in one or more of the following: suspension, loss of privileges, parent conference, and probationary restrictions and/or contract for behavior.

#### **Level Four Situations: REFERRAL TO ADMINISTRATION AND PARENT CONFERENCE**

**Level Four** issues may result in a temporary or permanent separation from Holy Infancy School. Level Four issues, though not limited to, include the following:

2. Weapons
3. Assault on faculty or staff (verbal or physical)

#### **Technology Concerns**

Students will be required to use the Holy Infancy School issued iPads or computers for school purposes. This is necessary to ensure that students have a device that is properly configured to complete activities and assignments specific to their classes. Engagement in social media such as, but not limited to, Facebook, Instagram, Snapchat, will result in disciplinary action if the content of the student or parent's posting is defamatory regarding the school, the faculty, other students, or the parish. Parents or students must refrain from creating any social media for a specific class/grade. Negative or defamatory comments about the school, the faculty, other students, or parish made on social media will result in the children of the parent being separated from the school. In the event that a student is disenrolled from the school, there will be no reimbursement for tuition and/or fees. (Level Three, #2 infraction)

#### **CHROMEBOOK USAGE DURING THE SCHOOL YEAR:**

Although we use Chromebooks/iPads to give us quick feedback on diagnostic checks in Math and Reading (IXL, Dibels, Istation, and Dreambox), we encourage a balance between screen time and direct instruction. Students must learn through effective teaching and application. Hands-on learning and application is still the most effective way for students to learn.

Chromebooks/iPads are used at school at prescribed times for measurement of growth and mastery throughout the year.

#### **Cell Phones and Code of Conduct**

At no time during the school day should a personal cell phone/tablet/electronic device/SMART watches of any kind, etc. be in a student's possession. Exceptions to this rule are by administrative decision. The devices must be turned off and given to the teacher during the school day. (Level Two, #6 infraction).

**Conduct in or out of the school that is detrimental to the reputation of the school is reason for expulsion.**

Administration will issue suspensions and expulsions when deemed necessary. Administration will follow the directives in the *Diocesan Crisis Manual*, in conjunction with the Diocesan Office of Education. The Principal is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at his/her discretion.

**Search Policy**

Students have no expectation of privacy in storage spaces assigned to them. Student storage space and their contents, including personal items belonging to students, may be searched at any time at the discretion of the administration. The administration may authorize or undertake such searches regardless of whether the administration has reason to believe that prohibited materials or evidence of a violation of law or school policy will be found in any particular storage area.

**Dialogue between teachers and parents/guardians is essential in nurturing students during these formative years.**

**Consequences for inappropriate behavior, though not limited to, include the following:**

2. Detention after school
3. Conferences with parents/guardians, teachers, and Principal
4. Suspension
5. Temporary or permanent separation from Holy Infancy School

**Procedure for conferences with teacher or Principal:**

1. Contact the individual teacher or Principal to arrange conferences about personal school issues or the student's progress.
2. Parents/guardians should not expect teachers to confer during instruction hours.
3. Conferences to discuss issues of a personal nature or concerns about learning should be scheduled at times other than Open House.
4. The telephone number to be called in order to arrange a conference is 610-868-2621.

It is our expectation that all parents/guardians will support this conduct policy in word and action. The Administration and Office of Education may amend and/or interpret the Code of Conduct at its discretion. We thank you in advance for your support and cooperation of this Discipline Code.

**Student Services/Governmental Programs**

**Act 89 Remedial Services in Math and Title I Services for Reading:** The major objective of teachers who provide remedial assistance is to help students maximize academic strengths while overcoming individual learning needs. Individual and small group instruction is aligned with classroom activities. Comprehensive diagnostic assessments utilizing technology and research based programs support student growth. Standardized test scores, benchmark scores, classroom performance, and teacher/principal recommendations are used for this service.

**Act 89 Speech and Language Support:** Speech and language assessments are used to identify eligible students. Services are designed and individualized to provide therapy for students with language difficulties, articulation, fluency, and voice usage.

**Act 89 School Counseling:** Our School Psychologists work with students in grades K-8 who are referred for emotional or social concerns which may be impeding their academic success. Written parental permission is required for services. In order to meet the needs, counseling services are offered in the following areas: academic subjects, study skills, consultation, crisis intervention, developmental programs, personal and preventive contracts, educational referral, and student evaluation.

**S.I.T. Services: Student Intervention Team.** The team includes the student's parent, teacher, school administrator, school psychologist and remedial teacher. Whenever students experience behavioral or academic problems, teachers or parents may request a meeting to discuss interventions, adaptations, or modifications. Meetings take place at Holy Infancy School during the school day.

**TUTORING:**

If you feel at any time that your child(ren) need(s) help re-catching, or catching up on reading, language, or math skills, please contact your child's teacher or building principal to request assistance. We will work to provide this assistance and develop a workable schedule with the parent.

**Emergency and Evacuation Procedures**

Emergency and evacuation drills are held in compliance with Pennsylvania School Law requirements. These drills familiarize the students with emergency procedures. Silence and adherence to proper behavior is expected of all students during emergency drills.

**Care and Use of Property**

Each student is responsible for appropriate use and care of all school property such as technology resources and equipment, books, desks, floors, walls, doors, lavatories, other students' property, and any materials in the classrooms. Students who damage property accidentally or on purpose must pay for the damage. Malicious damage is considered a grave matter and is met with a report for vandalism to the Bethlehem Police Department, and disciplinary action as well as payment.

**Extracurricular Sports Activities**

Interscholastic sports foster qualities of fair play, cooperation and the understanding of the meaning of teamwork. To develop these qualities among the children, Holy Infancy School encourages participation in extracurricular activities sponsored by the school and/or Diocesan CYO. Parents/guardians are encouraged to support team activities by providing transportation to and from practice and games. If there is a noticeable drop in academic grades or an unsatisfactory mark in work habits, study skills, or social behavior, extracurricular activities will be curtailed. Other enrichment programs are available for students. Advisors communicate pertinent information at the beginning of the year and as needed. Please visit the CYO (Catholic Youth Organization) link on the school website for information.

**Financial Aid Guidelines/Purpose**

Sending your child to Catholic School is one of the most important decisions you can make regarding their education. The Diocese of Allentown has a long history and a proven track record of educating young men and women with outstanding results. The investment you make in their education is shared by our Parish community. The school's financial stability is dependent upon the complete and timely payment of tuition. Holy Infancy School uses Simple Tuition Solutions (STS), a leading provider of tuition payment plans. STS offers a variety of tuition payment plans to accommodate each family's budget. All families must be registered through Simple Tuition Solutions.

Financial Aid is intended to help families meet their tuition obligations based on financial need, academic achievement, and attendance. Applicants must apply directly through STS. Deadline for submitting the application is May 31 of the current school year. A completed application includes the submission and verification of all required financial documentation.

### Criteria

- *Be in good financial standing* with all tuition and fees.
- *Demonstrate financial need* as determined by the STS guidelines.
- *Demonstrate academic effort* by displaying consistent effort and active participation in class lessons and activities, working diligently, satisfactorily completing and submitting all class and homework assignments on time.
- *Be in good attendance standing* and in accordance with the student handbook policies. Tuition is electronically transferred from the family's account to school each month. If tuition is not paid in full by July 1 of the current school year, the student may not re-register for the following school year until the account is up-to-date.

**There are additional financial obligations (including fundraising) that are not covered by tuition.**

- **Families unable to meet tuition payment fees or fundraising deadlines must contact the Tuition Manager before the payment is due with the reason it will be late – late fees may be considered.** All contacts concerning these matters will be kept strictly confidential.
- A statement is sent to any family whose payment is delinquent. The Principal, Pastor, and the Finance Committee are informed of all delinquent families.
- Failure to make consecutive payments may result in the student not participating in activities or disenrollment. **To receive report cards, participate in field trips or school activities including graduation, all financial obligations must be current.**
- Payments must be submitted and posted, one week prior to the school's event, to the Simple Tuition Solutions to ensure your child's participation in activities or reception of documents.
- **A graduating student is not issued their diploma until their account is paid in full.**
- **Transferring academic information to another school and final report card is withheld until the full tuition payment is received.**
- If tuition fees remain outstanding from the previous school year, the student(s) will not be admitted for the next school year. Any financial aid provided to the student(s) may be forfeited.
- **If extenuating circumstances dramatically impact a family's ability to pay private school tuition (loss of job, death in the family, illness, etc.), a special meeting with the Tuition Manager should be requested as soon as possible.**

### Fundraisers

School fundraisers assist in supplementing tuition. These fundraisers are ways to earn extra money for improvements and to help pay bills that tuition does not cover. Fundraisers are *mandatory*. **Families have the option to do the buyout.**

## Grading

Progress reports and report cards are issued three times a year. **Parents/guardians must sign and return the progress report and report card envelope to the classroom or subject teacher.** Each report card subject grade reflects a wide range of the student's school experience for which he/she has ownership:

- ▪ Oral participation and expression, class cooperation, and attentiveness
- ▪ Homework and in-class assignments completed as directed
- ▪ Major test results and quizzes
- ▪ Projects and long-term assignments
- ▪ Being prepared for class by having studied and having materials
- ▪ Quality of work

### REPORT CARDS

We share academic progress reports with parents/guardians at the end of each trimester. In October, the progress report is shared during a Parent-Teacher Conference. The first trimester generally ends in December, the second in March and the final in June. Grades are determined based on daily classwork, tests and projects. The accepted marking systems is as follows:

#### GRADING SCALE:

Kindergarten: Standards-based system for parents

Grades 1 - 8:

A = 90 – 100

B = 80 – 89

C = 70 – 79

Honor Roll is a positive goal for our students.

### **Religious Education**

Christian education is intended to “make one’s faith come alive through both conscious and active religious instruction. Parents/guardians are the primary educators of their children, creating a home environment that develops the child’s natural desire to seek and know God. Parents are the first teachers of the faith. Our Catholic School is a unique setting where “living one’s faith” can be realized and practiced by all children and adults. Instruction in religious values is integral to the school program and is considered more than another subject. It functions as the underlying reality in which the student’s experiences of learning and living, achieve their deepest meaning. Holy Infancy School has a specific mission. The focus of our Catholic schools includes formation and education. Amid all the curricular and extracurricular activities, Holy Infancy School seeks to form character as well as educate the mind. The intent is to prepare each student for the two-fold citizenship of Earth and Heaven. We want our students to grow in their moral and faith development as both contributing members of society and Saints in heaven. Thus, at the heart of the mission of our Catholic school is the transmission of faith teaching in transforming individuals and communities. The ultimate task of any Christian ministry or service is salvation of souls. In summary, On behalf of Holy Infancy Parish and School, we want to express our deepest gratitude and admiration for all of our students and their families. Both on and off our campus, you serve as the most effective ambassadors of Holy Infancy School and our faith.

### **Religious Opportunities**

**In conjunction with Diocesan policy, students in all grades attend Religion classes daily. The entire student body attends Mass service weekly.** There are opportunities to participate in services such as the Rosary, seasonal prayer services, Stations of the Cross, and Processions. Parental attendance at special meetings held prior to a student’s reception of the sacrament of Eucharist, Reconciliation and Confirmation are required.

**We believe school uniforms help to promote a safer school environment, ease of identification, equity, and sense of belonging. Parents should contact our main office if there are any challenges in obtaining school uniforms. Our goal is to be as supportive as possible, as evidenced by our school’s uniform closet, where parents can access gently used uniforms. Additionally, our school uniforms present a professional image to our community and distinguishes our students by providing uniformity among**

students and promotes a sense of school spirit and pride. All Holy Infancy School students are expected to follow the dress code policy.
